

Building the EHEA: process, outcomes, outlook

BALANCE Project Seminar

Davis, California, 21 May 2009

Guy HAUG

The Bologna process

- A new stage in European HE

The Bologna process

- A new stage in European HE
- Bologna: why ?

The Bologna process

- A new stage in European HE
- Bologna: why ?
- Main characteristics

The Bologna process

- A new stage in European HE
- Bologna: why ?
- Main characteristics
- Action lines for structural change

The Bologna process

- A new stage in European HE
- Bologna: why ?
- Main characteristics of process
- Action lines for structural change
- From Bologna 1999 to Louvain 2009

The Bologna process

- A new stage in European HE
- Bologna: why ?
- Main characteristics of process
- Action lines for structural change
- From Bologna 1999 to Louvain 2009
- Enlargement: from 4 to 46 countries

EHEA = Bologna + Lisboa

- From 2002, support from EU's Lisbon Strategy

EHEA = Bologna + Lisbon

- From 2002, support from EU's Lisbon Strategy
- A dual agenda for universities:
 - structural: Bologna
 - HE/Research policy: Lisboa

EHEA = Bologna + Lisboa

- From 2002, support from EU's Lisbon Strategy
- A dual agenda for universities:
 - structural: Bologna
 - HE/Research policy: Lisboa
- Common features of both processes

EHEA = Bologna + Lisboa

- From 2002, support from EU's Lisbon Strategy
- A dual agenda for universities:
 - structural: Bologna
 - HE/Research policy: Lisboa
- Common features of both processes
- Complementarity: QA, EHEA in world

EHEA = Bologna + Lisboa

- From 2002, support from EU's Lisbon Strategy
- A dual agenda for universities:
 - structural: Bologna
 - HE/Research policy: Lisboa
- Common features of both processes
- Complementarity: QA, EHEA in world
- Internal coherence, + external appeal

How far from EHEA are we ?

- **Current state of reforms:**
 - Ba, Ma, Do (+ Associate Degree)

How far from EHEA are we ?

- **Current state of reforms:**
 - Ba, Ma, Do (+ Associate Degree)
 - Qualifications frameworks

How far from EHEA are we ?

- **Current state of reforms:**
 - Ba, Ma, Do (+ Associate degree)
 - Qualifications frameworks
 - ECTS, Diploma Supplement

How far from EHEA are we ?

- **Current state of reforms:**
 - Ba, Ma, Do
 - Qualifications frameworks
 - ECTS, Diploma Supplement
 - QA / Accreditation

How far from EHEA are we ?

- **Current state of reforms:**
 - Ba, Ma, Do (+ Associate Degree)
 - Qualifications frameworks
 - ECTS and Diploma Supplement
 - QA / Accreditation
 - Attractiveness in world

How far from EHEA are we ?

- **Achievements and shortfalls**
 - uneven between lines, countries, HEI, disciplines

How far from EHEA are we ?

- **Achievements and shortfalls**
 - uneven between lines, countries, HEI, disciplines
 - an inner + an outer circle

How far from EHEA are we ?

- **Achievements and shortfalls**
 - uneven between lines, countries, HEI, disciplines
 - an inner + an outer circle
 - a number of incomplete/divergent reforms

How far from EHEA are we ?

- **Achievements and shortfalls**

- uneven between lines, countries, HEI, disciplines
- an inner + an outer circle
- a number of incomplete/divergent reforms
- risk of dilution of priorities

How far from EHEA are we ?

- **Achievements and shortfalls**

- uneven between lines, countries, HEI, disciplines
- an inner + an outer circle
- a number of incomplete/divergent reforms
- risk of dilution of priorities
- the London/Louvain low tide (2007-2009)

How far from EHEA are we ?

- **Growth of the external dimension**
 - away from initial eurocentrism

How far from EHEA are we ?

- **Growth of the external dimension**
 - away from initial eurocentrism
 - widespread interest overseas

How far from EHEA are we ?

- **Growth of the external dimension**
 - away from initial eurocentrism
 - widespread interest overseas
 - better partners, tougher competitors

How far from EHEA are we ?

- **Growth of the external dimension**
 - away from initial eurocentrism
 - widespread interest overseas
 - better partners, tougher competitors
 - a series of new EU programmes

EHEA: main outcomes

- **A major debate**
 - rôle of HER in Knowledge Society
 - involvement of stakeholders
 - universities on the move again

EHEA: main outcomes

- **A major debate**
 - rôle of HER in Knowledge Society
 - involvement of stakeholders
 - universities on the move again
- **Coming of age**
 - increase of actors and bureaucracy
 - less impetus and peer pressure,

EHEA: main outcomes

- **A major debate**
 - rôle of HER in Knowledge Society
 - involvement of stakeholders
 - universities on the move again
- **Coming of age**
 - increase of actors and bureaucracy
 - less impetus and peer pressure
- **Major changes in HE policies**
 - funding, governance, marketing
 - differentiation, competition

EHEA: entering the 2nd decade

- **Towards Vienna/Budapest 2010:**
more results, talking or bureaucracy?

EHEA: entering the 2nd decade

- **Towards Vienna/Budapest 2010:**
more results, talking or bureaucracy?
- **Subsidiarity with cooperation:**
is it enough ? Refocussing, steering

EHEA: entering the 2nd decade

- **Towards Vienna/Budapest 2010:**
more results, talking or bureaucracy?
- **Subsidiarity with cooperation:**
is it enough ? Refocussing, steering
- **Waking-up to new competition**

EHEA: entering the 2nd decade

- **Towards Vienna/Budapest 2010:**
more results, talking or bureaucracy?
- **Subsidiarity with cooperation:**
is it enough ? Refocussing, steering
- **Waking-up to new competition**
- **Common issues/challenges**
for European + North American HE

EHEA: entering the 2nd decade

- **Towards Vienna/Budapest 2010:**
more results, talking or bureaucracy?
- **Subsidiarity with cooperation:**
is it enough ? Refocussing, steering
- **Waking-up to new competition**
- **Common issues/challenges**
for European + North American HE
- **More competition between the two**
