UCDAVIS

Topic 1 – Joint North American and European ventures in research: funding opportunities and scholar mobility

UCDAVIS
UNIVERSITY OUTREACH AND
INTERNATIONAL PROGRAMS

Topic 1 – Joint North American and European ventures in research: funding opportunities and scholar mobility

- 1. Do you have any experience of European-North American research collaborations? Briefly outline for others.**
- 2. Is your main interest in research collaboration to do with individual scholarships, structured researchers mobility, or joint research projects?**
- 3. What are the major differences that you see on research funding for joint North American and European projects in the two continents?**
- 4. Can you identify major obstacles and advantages to collaboration?**
- 5. Develop and outline a couple of potential pilots.**

UCDAVIS

Topic 2 – Joint North American and European ventures in higher education: funding opportunities and student mobility

UCDAVIS
UNIVERSITY OUTREACH AND
INTERNATIONAL PROGRAMS

Topic 2 – Joint North American and European ventures in higher education: funding opportunities and student mobility

- 1. What are your experiences with exchange projects between the two continents?**
- 2. Which cohort(s) of students would you like to develop new student mobility programs for?**
- 3. Identify major difficulties and advantages.**
- 4. Develop and outline a couple of potential pilots.**

UCDAVIS

Topic 3 – Joint/dual degrees and recognition issues

UCDAVIS
UNIVERSITY OUTREACH AND
INTERNATIONAL PROGRAMS

Topic 3 – Joint/dual degrees and recognition

- 1. What are your experiences with joint or dual degrees?**
- 2. Define the advantages and difficulties you see in joint and dual degrees.**
- 3. Do you find that the Bologna Process has facilitated collaboration on joint degrees with Europe?**
- 4. Can you identify major obstacles and advantages to collaboration?**
- 5. Develop and outline a couple of potential pilots.**
