

Heritage

Contested / Problematic Heritage at CG Universities

- ✓ Challenge for all Coimbra Group Universities
- ✓ Impact on Universities reputations, collection research, appropriate display and preservation
- ✓ University research, teaching and 3rd mission in general

Handling Specific Issues Sensitively

- Acquisition context – object's biography (colonialism, NS-times)
- Bodies and human remains
- Problematic content of object stories
- Problematic material
- Problematic toponymic names

Key Activities 2023/24

- ✓ International seminar (Prague)
- ✓ Publication of lectures and outcomes
- ✓ Develop a good practice toolkit for handling problematic collections

University of Padova

In cooperation with other CG Working Groups (e.g. Development Cooperation WG, Equality and Diversity WG) and other organisations (e.g. Universeum and LERU)
